ABOUT ME.

HELLO, I'M KIM ASHLEY MENDOZA

I'm BSIT graduate who loves exploring technology and turning ideas into organized and meaningful outputs. I enjoy creating clean designs, solving problems, and learning new tools that help me grow. I'm calm, detail-oriented, and someone who works well with others once I get comfortable. With a mindset focused on improvement and creativity, I aim to start my career with dedication and a desire to make a positive difference.
